Dear Patient,

We are writing to let you know that **HealthPoint will no longer provide services at the MHMR location**. This change only affects the site where your care takes place, not your status as a HealthPoint patient.

You can continue seeing your provider without interruption at our nearby **Bryan/College Station (BCS) Clinic**, located just a short distance from MHMR:

- **HealthPoint – BCS Clinic**
3370 Texas Avenue, Bryan, TX 77802
(Located next to the Brazos Transit bus stop)

We remain committed to providing you with the same high-quality care, just at a different location. Your provider and care team are still here for you.

Your records are securely stored at HealthPoint. If you would like to request your records or have them sent to another provider, you can:
